PASSENGER INFORMATION ON SECURITY MEASURES

In accordance with conclusions drawn by the National Security Committee of the Republic of Serbia, with the aim of meeting the requirement made by International Civil Aviation Organization (ICAO), the Civil Aviation Directorate of the Republic of Serbia has adopted restrictions and requirements for transport of liquids, gels and aerosols in hand luggage as well as method of performing security inspection of hand luggage.

These restrictions come into force on 10 March 2007, and are applicable for the purpose of prevention of possible terrorist acts in the civil aviation using liquid explosives. The restrictions are applicable to any originating passenger or passenger in transit/transfer from an airport on the territory of the Republic of Serbia.

The following products shall be deemed as liquids:

- water and other types of drinks, soups and syrups;
- perfumes,
- mascara, sprays, creams, lotions and oils;
- gels, including hair and shower gels;
- pastes, including toothpaste;
- contents of pressurized containers, including shaving foam, other foams and deodorants;
- any other item of similar consistency

PASSENGER DUTIES AND RESPONSIBILITIES

EXCEPTIONS

The following shall be subject to exceptions:

- carrying of liquids, gels and aerosols bought in duty free shops in security restricted areas, packed in a transparent plastic bag, which must be permanently sealed until reaching the final destination. Plastic bag, sealed in a duty free shop, must have a receipt for the purchased product, exclusively with the date of the travel;
- **In case the passenger arrives at the airport in the EU or Switzerland and continues his/her travel with some other flight, he/she will not be allowed to carry into the plane in hand luggage any liquids, aerosols or gels of single capacity over 100 ml bought at the airport outside EU or on the JAT airplanes;**
- carrying of liquid or gruel baby food and milk in the appropriate quantities, depending on the duration of the flight;

- carrying of medicines, in liquid, gel or aerosol form, used solely with the medical certificate issued by the competent medical institution or authorized dispensary;
- carrying of medical preparations such as insulin, plasma, etc. solely if passengers possess a certificate obtained from the competent medical institution.

All cable electrical devices (laptop computers, digital cameras, cameras, etc.) must be produced from the hand baggage for screening.

NOTE:

**IN CASES OF NON-OBSERVANCE, THE
CONTENTS SHALL BE CONFISCATED AT
THE SECURITY CHECKPOINT**

Dear passengers, this leaflet has been produced with the aim of preventing jams at security screening checkpoints and for your own security.
HAVE A NICE FLIGHT!
