- for aircraft over 25 t. per ton	2,46	2,46		2,46			
IV. PARKING	EURO 1,80 per TON						
V CUTE CHARGE	EUR 0,69 per departed passenger						

- Charges don't include VAT and for RS resident settlement will be in CSD, according to the official mean rate of the central bank which is in effect on the day of the origination of tax liability.
- Charges for use of Centralized Infrastructure and Ground Handling charges are calculated per aircraft's MTOW.
- For flights after working hours charges for handling and infrastructure services will be increased by 30%
- Use of air bridges charges will be calculated per aircraft MTOW. Use of air bridges is a price for the arrival and subsequent departure of the same aircraft. Use of air bridge in case of just one direction will be reduced by 50% of the above rate.
- Landing and Lighting charges will be calculated on the basis of the maximum take off weight (MTOW)
- For parking over 4 hours up to 24 hours – each ton or part thereof will be charged. For aircraft parking up to 4 hours no charge will be applicable.
