Explanation

Through its activities BELGRADE AIRPORT d.o.o. Beograd strives to effectively adapt to new trends and through its own development stimulates faster recovery and growth of the air traffic market.

The objective of BELGRADE AIRPORT d.o.o. Beograd is to, by means of implementing the new (amended) Incentive Plan, create conditions for accelerated recovery of air traffic, continue development of the regional hub concept, facilitate connections with new markets in regard to both short/medium-haul flights and intercontinental or long-haul traffic.

In accordance with Article 7, paragraphs 3 and 4 of the Rulebook on Airport Charges of the Republic of Serbia ("Official Gazette of the RS", no. 71/2013, 48/2016, 96/2017) (hereinafter: the Rulebook), and pursuant to Article 133, paragraph 6 of the Air Transport Law ("Official Gazette of RS", No. 73/2010, 57/2011, 93/2012, 45/2015, 66/2015 - other law, 83/2018 and 9 / 2020), BELGRADE AIRPORT d.o.o. Beograd has consulted with airport users regarding changes to the system of airport charges .

The consultation process commenced at the meeting of the Committee of Air Carriers held on December 22, 2021, when the Proposal of the new (amended) Incentive plan has been presented and the Proposal of the new (amended) Incentive plan has been submitted to airport users, containing the clarification of basic changes and benefits implemented. (BELGRADE AIRPORT d.o.o. Beograd letter number 107-2021 dated 23/12/2021).

At the meeting of the Committee of Air Carriers on January 31, 2022, it has been concluded that there were no objections to the submitted Proposal of the new (amended) Incentive plan.

As the proposed incentives represent a reduction of airport charges, thus aiming to create conditions for accelerated recovery of air traffic, continue development of the regional hub concept, facilitate connections with new markets in regard to both short/medium-haul flights and intercontinental or long-haul traffic, at the meeting held on January 31, 2022, the airport users agreed on the proposal of BELGRADE AIRPORT d.o.o. Beograd to shorten the consultations period referring to the changes in the system of airport charges calculation as contained in the proposal of the new (amended) Incentive Plan, whereby it shall last until 31/01/2022, thus the new (amended) Incentive Plan shall enter into force with the beginning of the summer IATA season of 2022, i.e. from April 1, 2022.

The consultation process with the airport users regarding the Proposal of the new (amended) Incentive plan was completed at the meeting of the Committee of Air Carriers on January 31, 2022.

Considering all above stated, it has been decided as in the wording of the Decision.

Enclosed: Incentive Plan
